Memorandum, Whereas before the Doubling of the Stock every 250 l. Principal Money paid in, had a Vote in the Election of Governour, Deputy, and Committees; and 500 l. made each Adventurer capable of being Chosen in the Management of the Stock: The Adventurers are to take Notice that now 500 l. hath but one Vote in the said Election, and that no less than 1000 l. renders any of them capable of being chosen of the Committees.

The Adventurers are personally to bring in their own Votes, and not to send them by any other Hand.
